Come by the AMDA Product Booth For A Free Demo – located in the Riverside Lobby

Participants will receive a certificate of completion & three-month access **FREE OF CHARGE** to AMDA's electronic CPGs following the completion of three course surveys. CME, CMD, CE, & CPE opportunities available as well. Increase the quality of care your staff provides, at no cost.

AMDA's Online Dementia CPG will train your entire nursing home staff (prescribers & non-prescribers) on recognition, assessment, treatment, & monitoring of dementia **FOR FREE.**

CMS HAS A NEW GOAL:
Reduce use of antipsychotic medications in long-stay nursing home residents by 25% by the end of 2015 & 30% by end of 2016.

*Is your staff trained to
improve dementia care and
reduce inappropriate
antipsychotic use?*
